**JUMBO TWO TIMER With Ultra Long Display
Sunlight Bright Red LED for Scrolling Messages
and Count Down Two Timer US Patent #5,371,681**

IDX's newest Big Time Two Timer - BT922 Jumbo Time display is 2" High x 16" Wide with an overall size of 22.25" Wide x 7.375" High x 2.50" Deep. With its eye-popping Ultra Bright Red LEDs, messages can even be read in direct sunlight. The ultra long display of the BT922 Jumbo Time scrolls twice as many characters as its BIG TIME cousins. The BT922 Jumbo Two Timer includes all the great features of IDX's Big Time Family of displays and two timers. When ordered with the (-S) option, the BT922 becomes the most informative display timer in the car wash industry. Now your customers can see which service is in use at a glance as the service name is scrolled by once every 10 seconds while time is remaining.
